

TRAN THI BINH

Frontend Developer

Ho Chi Minh City, Vietnam | (+84) 912 345 678 | binh.tran.fe@email.com | linkedin.com/in/binhtt | github.com/binhtt

SUMMARY

A creative Frontend Developer with 4 years of experience building beautiful, responsive, and high-performance user interfaces. Highly skilled in modern JavaScript frameworks like React and Vue.js. Passionate about user experience and collaborating with designers and backend developers to bring ideas to life.

SKILLS

- Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3/SASS
- Frameworks/Libraries: React, Redux, Vue.js, Vuex, Next.js
- APIs: RESTful APIs, GraphQL
- Tools: Webpack, Babel, Git, Figma, Jest
- Others: Responsive Design, Performance Optimization, UI/UX Principles

EXPERIENCE

Frontend Developer | Creative Web Agency | Ho Chi Minh City

May 2021 - Present

- Developed and maintained the user interface for several client websites using React and Next.js, resulting in a 40% improvement in Lighthouse scores.
- Collaborated closely with UI/UX designers to translate Figma mockups into pixel-perfect, interactive web pages.
- Consumed RESTful and GraphQL APIs to fetch and display data from the backend.
- Wrote maintainable and reusable code components, reducing development time for future projects.

Junior Web Developer | Digital Growth | Ho Chi Minh City

Jul 2019 - Apr 2021

- Built responsive websites for small businesses using HTML, CSS, and jQuery.
- Gained initial experience with JavaScript frameworks.

EDUCATION

RMIT University Vietnam | Ho Chi Minh City

Bachelor of Design (Digital Media) | 2015 - 2019
